If such a request for hearing is not received within said 10 days after mailing of the notice of intention to abate and remove, the City shall have the authority to abate and remove the vehicle or parts thereof as a public nuisance without holding a public hearing. (Ord. 3609, 1973.)

10.58.110 City Council to Conduct Hearing - Decision.

All hearings under this chapter shall be held before the City Council which shall hear all facts and testimony it deems pertinent. The facts and testimony may include testimony on the condition of the vehicle or parts thereof and the circumstances concerning its location on the private property or public property. The City Council shall not be limited by the technical rules of evidence. The owner of the land on which the vehicle is located may appear in person at the hearing or present a written statement in time for consideration at the hearing, and deny responsibility for the presence of the vehicle on the land, with his reasons for such denial.

The City Council may impose such conditions and take such other actions as it deems appropriate under the circumstances to carry out the purpose of this chapter. It may delay the time for removal of the vehicle or parts thereof if, in its opinion, the circumstances justify it. At the conclusion of the public hearing, the City Council may find that a vehicle or parts thereof has been abandoned, wrecked, dismantled, or is inoperative on private or public property and order the same removed from the property as a public nuisance and disposed of as hereinafter provided and determine the administrative costs and the cost of removal to be charged against the owner of the land. The order requiring removal shall include a description of the vehicle or parts thereof and the correct identification number and license number of the vehicle, if available at the site.

If it is determined at the hearing that the vehicle was placed on the land without the consent of the owner of the land and that he has not subsequently acquiesced in its presence, the City Council shall not assess the costs of administration or removal of the vehicle against the property upon which the vehicle is located or otherwise attempt to collect such costs from such owner of the land.

If the owner of the land submits a sworn written statement denying responsibility for the presence of the vehicle on his land but does not appear, or if an interested party makes a written presentation to the City Council but does not appear, he shall be notified in writing of the decision. (Ord. 3609, 1973.)

10.58.120 Removal After Notice.

Five (5) days after adoption of the order declaring the vehicle or parts thereof to be a public nuisance, five (5) days from the date of mailing of notice of the decision if such notice is required by Section 10.58.010, the vehicle or parts thereof may be disposed of by removal to a scrapyard or automobile dismantler's yard, or any suitable site operated by a local agency. After a vehicle has been removed it shall not thereafter be reconstructed or made operable. (Ord. 3609, 1973.)

10.58.130 Notice of Removal to Department of Motor Vehicles.

Within five (5) days after the date of removal of the vehicle or parts thereof, notice shall be given to the Department of Motor Vehicles identifying the vehicle or parts thereof removed. At the same time there shall be transmitted to the Department of Motor Vehicles any evidence of registration available, including registration certificates, certificates of title and license plates. (Ord. 3609, 1973.)

10.58.140 Refusal to Remove.

It is unlawful for any person to fail or refuse to remove an abandoned, wrecked, dismantled or inoperative vehicle or part thereof or refuse to abate such nuisance when ordered to do so in accordance with the abatement provisions of this chapter of State law where such State law is applicable. (Ord. 3338 §1(part), 1968.)

10.58.150 Assessment.

If the administrative costs and the cost of removal which are charged against the owner of a parcel of land pursuant to Section 10.58.090 are not paid within 30 days of the date of the order, or the final disposition of an appeal therefrom, such costs shall be assessed against the parcel of land pursuant to Section 38773.5 of the Government Code and shall be transmitted to the Tax Collector for collection. Said assessment shall have the same priority as other City taxes. (Ord. 3609, 1973.)

All revenues appropriated or pledged to the payment of bonds of either district shall be consolidated and applied to the payment of principal and interest on the bonds of both districts and a uniform rate of ad valorem assessment shall be applied against all properties in the consolidated district subject to such assessment, to pay such portion of said principal and interest which is not paid from said revenues or other sources. (Ord. 3475 §9, 1971.)

Sections 10.68.480 through 10.68.620 shall be liberally construed to effectuate their purposes. No consolidation proceeding under Sections 10.68.480 through 10.68.620 shall be invalidated by any defect, error, irregularity or omission in any act, determination or procedure which does not adversely and substantially affect the rights of any person, city, county, district, the State or any agency or subdivision of the State. All determinations made by the Council under and pursuant to the provisions of Sections 10.68.480 through 10.68.620 shall be final and conclusive in the absence of fraud or prejudicial abuse of discretion. In any action or proceeding to review any quasi-judicial determination made by the Council the sole inquiry shall be whether there was fraud or prejudicial abuse of discretion. (Ord. 3475 §13, 1971.)

10.68.610 Validating Proceeding.

An action to determine the validity of any consolidated district or proceeding therefor under Sections 10.68.480 through 10.68.620 may be brought pursuant to Chapter 9 (commencing with Section 860) of Title 10 of Part 2 of the Code of Civil Procedure. (Ord. 3475 §14, 1971.)

The Council declares that it would have adopted and passed the ordinance codified herein and each section, subsection, sentence, clause, phrase or word thereof irrespective of the fact that any one (1) or more of other sections, subsections, sentences, clauses, phrases or words of the ordinance codified herein are declared invalid or unconstitutional. That portion of the proceeds of any bonds issued pursuant to this section which is designated for the purpose of paying all or any part of the cost of additional off-street parking places may be invested and reinvested in obligations of, or guaranteed by, the United States of America or in certificates of deposit or time deposits secured by obligations of, or guaranteed by, the United States of America, maturing not later than the time or times when such proceeds will be needed for the purpose of paying all or any part of such cost.

10.70.720 Correction of Errors.

If the special assessment roll in the report contains any error in the description of the land or in any other respect, the list may be corrected at any time before it is finally approved by the Council. Any error or change must be accomplished on notice and hearing in the manner herein provided for modifications, unless such notice is expressly waived by all of the owners of the property involved in the change. (Ord. 4062, 1980.)

10.70.730 Effect of Error.

No error in the special assessment roll shall render the special assessment of a parcel invalid. (Ord. 4062, 1980.)

The City Clerk may, but is not required to, mail notices to the owner of a parcel, the zoning, use, ownership or improvement of which has changed in such a manner as to produce a higher special assessment thereon than in the preceding year. (Ord. 4062, 1980.)

10.70.790 Notice Form, Published and Posted Notice.

The form of notice to be published and posted shall be substantially as follows:

(Ord. 4062, 1980.)

10.70.800 Id. - Mailing.

The form of mailed notice shall be substantially as set forth in section 10.70.790, but shall also contain a description of the parcel covered by the notice, sufficient to identify it, and the amount of the proposed special assessment against said parcel as set forth in the report. (Ord. 4062, 1980.)

10.70.810 Protests.

The City Clerk shall endorse on each protest the date it is filed with the clerk, and shall show whether said protest was filed prior to the hour fixed for hearing. No protest received after said hour shall be counted in determining the quantum of protest, but the Council may, in its discretion, consider said protests in making its decision. (Ord. 4062, 1980.)

10.70.820 Public Hearing.

At the time and place fixed for the hearing, or at any time to which the hearing is adjourned, the council shall

- a) hear all persons having an interest in any real property within the district;

10.70.830 Certification.

The report, together with the certificate of the clerk as to the fact and date of approval by the Council, shall be delivered, at or before the time the Council fixes the general city tax rate for said fiscal year, to the officer designated by law to extend city taxes upon the tax roll on which they are collected. (Ord. 4062, 1980.)

10.70.840 Posting and Report.

Said officer shall post to the tax roll the individual amounts of the special assessment to be collected for said year, as set forth in said report against the respective parcels of real property shown in the report. (Ord. 4062, 1980.)

10.70.850 Method of Collection.

The special assessment shall be levied and collected upon the last equalized secured and utility tax rolls upon which general city taxes are collected. It shall be in addition to all other taxes levied for general city purposes, and shall be levied, entered and collected together with, and not separate from, general city taxes, and enforced in the same manner and by the same persons and at the same time and with the same penalties and interest as are other taxes for city purposes, and all laws applicable to the levy, collection and enforcement of taxes for city purposes are made applicable to said special assessment levy, and the assessed real property, if sold for taxes, shall be subject to redemption within one year from the date of sale in the same manner as such real property is redeemed from the sale for general city taxes and if not redeemed shall in like manner pass to the purchaser. All of the provisions of the Improvement Bond Act of 1915 relating to sale of delinquent property are applicable to delinquent special assessments levied under this section, except that sections 8804 and 8809 of the Streets and Highways Code shall not apply. The city may covenant, in the resolution providing for the issuance of bonds, that it will initiate the foreclosure action therein authorized promptly upon the occurrence of a delinquency and prosecute such action to conclusion with due diligence. (Ord. 4062, 1980.)

10.70.860 Lien.

The lien of the special assessment levied under this section attaches at the same times and has the same priorities as the lien for general taxes. (Ord. 4062, 1980.)

10.70.870 Contributions.

The Council may annually, at, or prior to, the time the levy is made, or at such other time as it shall determine, transfer to the bond fund or to the maintenance fund such amount or amounts as it shall determine. (Ord. 4062, 1980.)

10.70.880 Public Property.

If the special assessment formula so provides, public property (other than tax-deeded property), whether or not used in the performance of a public function, shall be exempt from the levy of special assessments under this chapter. (Ord. 4062, 1980.)

10.70.890 Omitted Property.

If any parcel of property is omitted from the tax roll for any year, it shall be added at the end of the roll and assessed as contained in the report. If any property is omitted in any such report it shall be assessed for the omitted amount in the next year after said omission is discovered, and appropriate provisions shall be made in the report for said year. (Ord. 4062, 1980.)

10.70.900 Reassessment.

When any court of competent jurisdiction or the Council, of its own volition, determines that any levy of special assessment pursuant to this chapter is void, invalid or unenforceable for any reason, or any court, for any reason, enjoins the collection of any such special assessment, the Council may levy a reassessment.

The engineer's report on reassessment shall be prepared and filed on order of the Council, notice given, hearing held and reassessment levied and confirmed, all in the same manner as the original special assessment, as nearly as may be, except that the formula to be used in the determination of benefits or the properties subject to special assessment, or both, may be other and different from that provided in the original report, if required in order to be consistent with the determinations and orders of the Council and/or court.

The reassessment shall be collected in the same manner as the original special assessment, except that it is levied too late for inclusion in regular city tax bills, it shall be collected on special bills to be prepared and mailed and collected in the same manner as regular tax bills. Section 10.70.850 shall apply just as if regular city tax bills were used.

The reassessment provisions of this section are alternative to the reassessment provisions elsewhere contained in this chapter.

If any reassessment levied under this section or any other part of this chapter is held invalid for any reason, the Council may conduct additional reassessment proceedings under this chapter, or any state law, to the end that the cost of the project is paid by the properties benefited thereby. (Ord. 4062, 1980.)

10.70.910 Id. - Lien.

The lien of any reassessment shall attach at the same time and have the same priority as the lien of the original special assessment. (Ord. 4062, 1980.)

10.70.920 Security for Existing Bonds.

If any invalidity is not in the bonds themselves or in the issuance thereof, the Council may so declare and conduct a reassessment proceeding in the same manner as the proceedings for the formation of the original district, but without the issuance of new bonds. In such event, the reassessment proceedings shall constitute the proceedings providing a legal authority for the issuance of the outstanding bonds, and the bond fund created in any such reassessment proceeding shall constitute a trust fund for their payment. (Ord. 4062, 1980.)

10.70.930 Exchange of Existing Bonds.

If the invalidity is in the bonds themselves or in the issuance thereof, or if the Council shall so determine in the reassessment proceedings, new bonds shall be issued and exchanged for the outstanding bonds. The new bonds shall mature in the amounts and at the times provided for the outstanding bonds, as nearly as may be.

If the Council shall so determine, it may assign different bonds and allot maturities as it shall deem equitable. (Ord. 4062, 1980.)

10.70.940 Limitation of Actions.

The limitation of actions provided in section 329.5 of the Code of Civil Procedure is applicable to any attack on or defense against the collection of the annual special assessment herein provided for. (Ord. 4062, 1980.)

10.70.950 Validating Proceedings.

An action to determine the validity of any special assessment district, bonds, special assessments, supplemental assessments, reassessments, contracts or evidences of indebtedness, and of the proceedings conducted in connection therewith pursuant to this chapter, may be brought pursuant to Chapter 9 (commencing with Section 860) of Title 10 of Part 2 of the Code of Civil Procedure of the State of California. (Ord. 4062, 1980.)

10.70.960 Assessment Levy for Unsold Bonds; Use of Proceeds.

Chapter 5 (commencing with Section 5400), Division 6, Title 1 of the Government Code of the State of California shall apply to bonds issued pursuant to this chapter, except that the proceeds referred to in Section 5404 of the Government Code shall be used only for some purpose which is of special benefit to the district, including, but not limited to, the payment of or reimbursement for such of the costs and expenses shown in the report as have already been paid or incurred for the benefit of the district and which could have been included in determining the amount of bonds to be issued, or the payment of principal of or interest on bonds previously issued on behalf of the district. (Ord. 4062, 1980.)

10.70.970 Levy of Assessments Without Bond Issuance.

Whenever the proceedings for the formation of the district and levy of special assessments have been conducted on the basis that bonds are not to be issued, annual special assessments may be levied and collected in the amounts, and in the manner provided in sections 10.70.980 to 10.70.990, inclusive. (Ord. 4062, 1980.)

10.70.980 Council Resolution.

The Council shall adopt a resolution providing for the levy of special assessments over a period of years without bonds. The resolution shall provide for and set forth:

- a) The total principal amount of special assessments to be collected;
- b) The total number of years during which the special assessment is to be levied, the amounts of principal to be collected each year and the interest rate to be applied to the unpaid principal balances and collected;
- c) The establishment and maintenance of special funds into which the proceeds of special assessments shall be paid in order to accomplish the purposes of the proceedings;
- d) Procedures for collection of special assessments and the interest thereon pursuant to this chapter; and
- e) Any other matters deemed necessary to accomplish the collection of the full amount of the total special assessment with interest over a period of years in the manner herein set forth. (Ord. 4062, 1980.)

10.70.990 Levy and Collection Procedures.

The annual principal payments on the special assessments and the interest on the unpaid principal thereof, as set forth in the resolution adopted pursuant to section 10.70.980, together with such additional amounts as are required for maintenance and operation of the parking places, shall be levied and collected annually in the manner set forth in sections 10.70.690 to 10.70.890, inclusive, with suitable changes to accommodate the fact that no bonds have been issued. All of the provisions of sections 10.70.900 to 10.70.950, inclusive, except insofar as they relate to bonds, shall apply to special assessments collected under this article. (Ord. 4062, 1980.)

10.70.1000 Constitutionality.

If any article, section, subsection, sentence, clause, phrase or word of this chapter is held to be unconstitutional or invalid, such decision shall not affect the remaining portions of this chapter. The Council hereby declares that it would have adopted and passed this chapter and each article, section, sub-section, sentence, clause, phrase and word hereof, irrespective of the fact that any one or more of other articles, sections, subsection, sentences, clauses, phrases or words hereof be declared invalid or unconstitutional. (Ord. 4062, 1980.)

10.70.1010 Waiver.

All objections not made within the time and manner provided are waived. (Ord. 4062, 1980.)

10.70.1020 Orders Final.

All decisions and determinations of the Council upon notice and hearing, shall be final and conclusive upon all persons entitled to appeal, as to all errors, informalities, omissions and irregularities which might have been avoided, or which might have been remedied and as to illegalities not amounting to a want of due process of law. (Ord. 4062, 1980.)

10.70.1030 Liberally Construed.

This chapter shall be liberally construed in order to effectuate its purpose. No error, irregularity, informality, omission or illegality, and no neglect or omission of any officer, in any procedure taken here-under, which does not directly affect the constitutional jurisdiction of the Council to order the work or improvement, shall void or invalidate such proceeding or any special assessment, or charge for the cost of any work or acquisition or service hereunder. The exclusive remedy of any person affected or aggrieved thereby shall be by appeal to the Council in accordance with the provisions hereof. (Ord. 4062, 1980.)

10.70.1040 Validity.

No step in any proceeding shall be invalidated or affected by any error or mistake or departure from the provisions of this chapter as to the officer or person posting or publishing or mailing, or procuring the publication or posting or mailing, of any notice, resolution, order or other matter when such notice is actually given for the time required. (Ord. 4062, 1980.)

10.70.1050 Effect of Publication.

No assessment, special assessment, charge, reassessment, supplemental assessment, warrant, diagram or bond, or any of their levy or issuance, and no proceedings for same, shall be held invalid by any court for any error, informality, omission, irregularity, illegality or other defect in the same, where the resolution of intention or notice of improvement have been actually published as herein provided. (Ord. 4062, 1980.)

(Ord. 4062, 1980.)
